**Pseudo Systems or "Named" Expression Outline and Construct Source. Pseudo Expression Trees as with Earthly Creation, give selection/omission categories of intelligence processes.**

**A derivation source for Principal System tenets, completely expressed or non-expressed is below, giving viable Knowledge Source:**

**The Pseudo dominant expression of expressions express-ability (Time, Images, Symbolic, and Construct) have given mankind systemic misinformation, truth vs false, Life or Death, Right or Wrong, Subjective or Objective, and non-express-able terminal event(s) and/or series paradigms.**

**G-d presumed to have owner ship of Expression of Expression(s). "Adam" assumed this ownership precluding man-kind to a Unit-Verse of Time and Terminal Event(s) / Serie(s) as expressed.**

14

**Pseudo Time can be said to consist of Expression of Expression(s) . A kingdom of systemic omission of information. Satan said in the Bible to be behind the Earth system of knowledge, sin, and our terminal outcomes. Could be said to be composed of systems expression(s) of omitted information.**

**Principal numerics 1, 0, 1+0, 1 or 0, 1 AND/Or 0; documented as system object(s) describe our historical and recognized source. Ourselves as Human AND/Or Spirit may also be re-discovered.**

15

**Jesus offered no claim to owner ship to the Earthly Knowledge kingdom. He offered us The Promise. His claim was the Principal and Principal Open Domain System(s) express ability.**

**Governments cannot offer or promise this. Governments offer us equity, but the return is always inequity.**

**Science promises the Outcome but returns only partial / omitted rationale with corresponding reason.**

16

**Institutions of Learning that analyze the partial imagery of creation can promise nothing but events and series that are terminal and non-express-able.**

**Higher learning and achievement consist of the Kingdom of systems of omitted information. A backward / upside down imagery of the creator.**

**G-d the Principal Creator is composed of self-evident systems of principal express-ability. Evidence AND/Or Faith our contemporary method. Providing our needed analysis, rationale and viable outcomes**
