Jesus showed us how the Trinity as expressed, gives us and humanity access to Truth. Where all Humanities recognized express-ability system components are express-able as the Jesus principality giving humanity ownership of the Jesus Earth / Heaven knowledge kingdom.

Qualitative Arguments in a Mathematical framework can be systematically addressed as variations in available principal numeric context and recognized systems concepts (Time, expressions of expressions, expressions and non-expressions). Giving 47 Billion system expression options for any object. Not including the Humanity claim to expressions of expression dominion. More Choice than some would want to consider

Per my understanding there is no identity systems expression(s). There are NO systems expressions or transformations of equity. An expression of expressions is another & different partial expression (As with the famous pseudo Time, symbolic, images construct/paradigms). An identity principal / principle transformation provides closes value. Our US Government utilizes partial systems express-ability as well.

Principal - Identifiable, Verifiable Object/Object(s) within all domains. Expressed, Non-Expressed, etc.

Principle - No requirement per say of Identifiability, Verifiability within All domains. Express-ability an important ingredient of this Expressions/Non-Expressions. Domains of choice, selection/omission intelligent methods.

Jesus as Documented in Bible "I am the way, the Truth, and the Life", Jesus / Trinity as expressed and for all Object(s) gives us the Math + Logic within Methodologies of Evidence AND/Or Faith to give our Heavenly / Earthly Salvation outcome. Material AND Informational.

THE TRINITY

Separately expressed, Our Principal Source to Chaos, Dysfunction. Principal / Principle knowledge is not available.

Jesus Owns our Salvation, our Answer AND our Question, Jesus Owns our Truth, on Earth AND Heaven. Jesus Owns our Subjectivity AND Objectivity. He Provides our Foundations, Rationale and Viability with Truth AND Love. He gives us Victory over Life AND Death; Win AND Loss. Jesus enables Right AND Wrong; Truth AND False Outcomes.

Science un-able to "Bottle" the Jesus Principality, assumed it was not real. At some point in the development of Science, "they" decided we will take it from here and "we" don't need this G-d Stuff anymore.
