Science tells us they have or can bottle the Genie, but we find the Genie has not only bottled Science, but the rest of us as well. Science un-able to "Bottle" the Jesus Principality, assumed it was not real. At some point in the development of Science, "they" decided we will take it from here and "we" don't need this G-d Stuff anymore.

The *Experts* tell us the System is the Problem; we need another System!

Zim Mathematics provides outlines of math object(s) within systems context. A complete list of express-able object(s) is also provided within these systems outlines. In past history this same approach was accomplished with a cherry picking, pick n choose methods. Zim Mathematics makes quick work of analysis, rationale and available outcomes of the contemporary and GREAT paradigms of our day.

Our *Universal* Mathematical applicability

EQUALITY
vs.
The Promise

7

EQUALITY: The REASON we consider our country the Land of Promise and Opportunity is we consider and value our citizens as individuals. In fact we have somehow known that all of us are absolutely unique, and that none of us are equal, at ALL. AND subsequently within our Country's G-d given domain, recognized within principal and principal open domain express-ability, all of our unique citizens have unique value that no one or anything else has. AND no one else can provide. This gives us foundations + rationale for valuing our citizens as individuals. The Jesus **Promised** Principality serves as the founding rationale/analysis **AND** viable outcome. Our recognized source to wealth, health, freedom, prosperity & "Gold".

At some point, “Adam” Mankind assumed a system(s) ownership. As the creator-creation, source, ruler, of intelligence, and all knowledge. This expression of expression(s) event(s)/series is described in the Bible as the Fall of Earth/Mankind.

Knowledge is said to have taken on many new forms, qualities and attributes. Which are addressed in the Encyclopedias of our day(s). All are documented in the Bible as consisting of expressions of expression(s) and terminal non-express-able event(s)/series.

Expression of Expressions do not produce an identity or logical statement or relationships

Logical Expression(s) could be said to consist of develop-ability and/or reducibility within domains of interest, Heaven/Earth.
